Outside Your Comfort Zone Series

Networking

Most people are not natural networkers. Indeed the thought of walking into a room full of strangers is very daunting for most!

However, in business, such occasions are magnificent opportunities to network – whatever your business may be!

This Workshop has been specifically designed, by master networkers, to assist individuals develop the skills and maximize the opportunities which are presented to each of us every single day – if we are on the look out for them!

The workshop is presented in a format suitable for every individual that wants to develop their networking skills.

This 3 hour workshop focuses on

- Identifying opportunities
- Harness the opportunities

Cost: \$150 non members
\$125 members
